What has been the most challenging experience you have had at the University of Central Florida? Why was it challenging and what did you learn?

Describe what you believe to be the most significant contribution you have made to a University program or community organization?
What would be your definition of leadership?

As you look forward to life after completing your formal education, what do you consider the most important issue facing the society in which you will live and work?

What do you hope to gain from Leadership UCF?
List the University or community organizational membership, including any office you may have held, that has meant the most to you and presented the greatest challenge.

Are there any special, personal attributes you would like the selection committee to know about that have not been described in your other responses?

A commitment to participate by each student selected for the course is essential of Leadership UCF to meet its objectives.

I have reviewed the enclosed brochure and, if selected, I agree to attend at least 80% of the sessions scheduled for Leadership UCF.
